

DEFERRED PAYMENT PLAN

UC DAVIS

ONLINE ENROLLMENT

*quarterly
and
annual
options
available*

The Deferred Payment Plan (DPP) is designed to give students an opportunity to extend payment of their Registration and Housing Fees.

Two options exist for this plan. Students may use the plan each quarter or apply once in the Fall for the entire academic year. The **annual plan** allows a student to pay fees monthly on a dependable schedule from September through May.

An application fee of \$25.00 per quarter or \$60.00 per year is charged to offset administration costs of the plan. This application fee is **nonrefundable**.

To enter the DPP using the quarterly option, students would pay at least one third of the fees for the current term no later than the fee payment deadline. If a student chooses the annual option, available only in the Fall, the student would pay at least one third of the Fall quarter fees by September 15th—the fee payment deadline. The balance will be paid in installments according to the DPP option selected.

The DPP is **not available** for the Graduate School of Management Working Professional MBA Program.

how much can the plan cover?

The DPP allows a student to extend payment of the net registration and housing fees. (net fees are the fees remaining after all credits such as fee waivers, grants, scholarships, fellowships, loans and other financial assistance have been applied.)

Students may elect to use the DPP whether or not they qualify for financial aid.

Previous account balances must also be paid by the fee payment deadline.

how do I make payments?

The amount approved for the quarterly DPP will be due on the 15th of the month as follows:

Fall quarter installments

will be due in September, October and November.

Winter quarter installments

will be due in December, January and February.

Spring quarter installments

will be due in March, April and May.

If you choose the annual DPP, installments

will be due on the 15th of the month, September through May.

A fee of \$10.00 will be charged per late installment.

quarterly and annual options available

how do I apply?

UCD students can self enroll in the plan through their SISWEB account at <http://sisweb.ucdavis.edu> no later than the fee payment deadline. (Remember, the DPP is not available after that date.)

A preview of installments and due dates will be displayed prior to accepting the plan. After acceptance students can view detail in their SISWEB account summary.

Remember to pay any previous account balances with the total due for DPP to be qualified for the plan.

Payments can be made online via the students' *myBill* account (<http://myBill.ucdavis.edu>).
